Isaac Dabah, CEO of Delta Galil, stated: “Our third quarter results demonstrate the strength of our business model, which is built on a diverse portfolio of branded and private label products, an expanding global presence, and a range of market segments that, together, provide both growth momentum and balance. We saw a strong contribution from our recent addition of DG Premium Brands, which includes 7 For All Mankind®, Splendid® and Ella Moss®, and despite the expected soft U.S. market, we experienced strong growth in Europe and Israel.”

“During the quarter, we focused on consolidating Premium Brands into our business, while taking important measures and implementing the necessary efficiencies to both streamline and strengthen the brands to best position them for growth. Also during the quarter, we appointed retail and fashion leader Paula Schneider, who is renowned for building profitable businesses and improving efficiencies for contemporary brands, to oversee this business and execute our ambitious goals for these brands.”

“Importantly, through this new business segment, we are growing our product offering and entering new categories, which is enabling us to reach new customers as well as strengthen our relations with existing ones – all while expanding our global reach.”

“Looking ahead, in addition to maximizing the benefits of this new acquisition, we expect our new Vietnamese factory to contribute to our growth beginning in 2017, and we are on track to open our new Seamfree and Cut & Sew factories in the fourth quarter. With a strong balance sheet to support our long-term growth and acquisition strategy, we are also focused on growing our e-commerce business, and we are working to attain double digit EBIT growth in 2017 and beyond.”
